

# UPCOMING TRAININGS

**MAR 23-24**

Sierra Connon, Grayson Lewis, Trainers  
9am-3pm each day, ZOOM

## Ethical Considerations for Recovery Coaches

Recovery coaching as a peer-to-peer recovery support services has grown exponentially over the past few years. The issue of ethical considerations has been discussed in many circles yet formal training has been lacking for recovery coaches.

**APR 6**

Rodasi Campbell, Jesika Brown, Trainers  
9am-3pm, ZOOM

## Messaging for Recovery Coaches

Studies show the language we use matters. Recovery Messaging can change perceptions and help people get access to services rather than receive punishment. This online training is designed for anyone to create a message of HOPE that promotes Recovery.

**MAY 17**

Sierra Connon, Grayson Lewis, Trainers  
9am-3pm, ZOOM

## Recovery Coaching in the Emergency Room

Recovery coaching continues to gain momentum throughout the country, and with good reason. Recovery coaches can, and do, connect people to long term and sustained recovery. Because of this, more and more, coaches are being utilized in a variety of settings, including emergency departments.
